

Minutes for PCCAS Recycling Meeting

March 24, 2015

University of Nevada-Reno, Room 109, Harry Reid Engineering Building

1. Call to Order:

The meeting was called to order at approximately 2:45 PM. The attendance sheet for the meeting is attached. Introductions were made.

2. Review of Committee Charges:

- 2.1: Evaluate the Performance of Cold recycled after at least 2 years of service.**
- 2.2: Evaluate the Performance of Hot Recycled Pavements in service.**
- 2.3: Work in conjunction with the Paving/Asphalt Mixture Committee regarding performance of higher RAP/RAS.**
- 2.4: Evaluate the feasibility of using RAP in slurry mixes.**

3. Final Draft of the Committee's Report on the Performance of Cold Recycled Mixtures after 2, 4 and 6 Years of Service.

General discussions followed. The Committee agreed to post this document as the final report to our Website. Some minor corrections were received before the meeting and these will be reflected on the final Report.

4. Using RAP in Cape Seal Applications-California's Experience:

Edgard Hitti (Alon Asphalt) gave an informative presentation on the use of using RAP chips in Cape Seal Applications in California. General discussions followed. Attached, please find a copy of the presentation.

5. Updates for Hot-Mix Recycling of RAP and Asphalt Shingles:

Tony Limas (Granite Construction) gave an informative presentation on the updates of Caltrans on using RAP or RAP/RAS in hot-mix applications. General discussions followed. Attached, please find a copy of the presentation.

6. State Updates:

Nevada DOT indicated to continue their CIR work using CMS-2S + Lime slurry. Oregon and Washington are planning to CIR Projects this year. California has several projects plans for this year. Western Federal Land will do a project in California this year.

7. The next meeting has been scheduled for October 13, 2015, at the University of Nevada-Reno, Harry Reid Engineering Building, Room 109.

8. The meeting was adjourned at approximately 4:20PM.

Respectively Submitted by:

A handwritten signature in black ink, appearing to read "Steven Escobar", written over a horizontal line.
